GENERAL RULES AND INFORMATION

- The Pumphouse Theatre provides one Event Supervisor who is available to assist with any facility issues or concerns as well as one bartender (at the discretion of The Pumphouse). Clients must provide their own staffing including box office person, ticket-takers and ushers.
- Front of House minimum staffing requirements: All Theatres, 1 box office person; Victor Mitchell Theatre, 4 ushers; Shed Theatre Configuration, 2 ushers; Joyce Doolittle Theatre, 1 usher. These requirements may vary depending on show conditions and audience size. One person provided by the client is required to stay in the lobby for the duration of the performance as they are the Event Supervisors contact for the theatre in the event of an emergency.
- The Pumphouse Event Supervisor will review the evacuation procedures with the Front of House Manager prior to the arrival of ushers. The Front of House Manager must review these procedures with their ushers upon their arrival.
- Any signs posted inside or outside the building may only be attached with removable painter's tape. These signs must be approved by Pumphouse staff in advance and removed during the rental period.
- The Pumphouse Theatre is to be the sole provider of bar and concession services within the building. The Pumphouse Bar opens minimum 30 minutes prior to performance start time.
- Doors to the theatre **must be opened to the public minimum 30 minutes prior to performance time** unless otherwise arranged ahead of time with Pumphouse Management and/or Event Supervisor. If the Event Supervisor deems necessary, they will request and require that the doors to the theatre open sooner to ease lobby congestion.
- Food and Drink (no glass bottles) are permitted in the theatres at the discretion of the rental group. The rental group is responsible for all cleaning related to food and drink within the theatre.

- Post-show receptions involving alcohol must be approved in advance. Please contact us **4 weeks** prior to your reception to arrange AGLC permission and any special bar requirements. *All alcohol must be dispensed by Pumphouse staff. All alcohol must be provided by the Pumphouse Theatres as per AGLC regulations*
- Sparkling Wine may be purchased for post-show receptions at a cost of \$17/bottle. Please contact us at least 2 weeks in advance to arrange.
- Any promotional materials produced for events occurring at the Pumphouse Theatre are required to include our logo. Logos may be downloaded from our website at www.pumphousetheatre.ca or by contacting admin@pumphousetheatre.ca. The logo may not be stretched or altered in any way.
- Due to Calgary Health Region regulations, the Pumphouse Theatre does not permit any animals on the premises with the exception of guide dogs. Exceptions must be prearranged with the Operations Manager.
- No smoking in the theatre or building at any time. This includes, but is not limited to vaporizer pens, herbal cigarettes, tobacco based cigarettes, cigars, marijuana and all related paraphernalia.
- All activities that happen within Pumphouse Park as well as the general exterior of the theatre must adhere to the City of Calgary parks and recreations rules and regulations as well as the City of Calgary bylaws
- Pumphouse Theatre Society has a zero tolerance policy for the bullying or harassment of anyone on the premises. This includes, but is not limited to: Pumphouse Theatre Staff, Client Staff, Volunteers and Patrons. Including but not limited to any activities that occur during set up, take down, classes and performances.
- There will be zero tolerance for working while intoxicated. Intoxication can include, but is not limited to alcohol, marijuana, prescription drugs and illegal drugs. This applies, but is not limited to: Pumphouse Theatre Staff as well as Client Staff, Volunteers. If anyone is found to be working while intoxicated they will be asked to stop work and cannot resume until intoxication has passed.
- There will be zero tolerance for consuming substances which can lead to intoxication during the periods of set up and take down in the theatres. During setup, the theatres are temporary construction zones and best working practices will be adhered to.
- Any equipment or set pieces belonging to the client left in the building past the load out date will be subject to a \$250 fine per week or part thereof.
- If you are using our dumpster on strike and waste is not properly broken down to fit within the closed dumpster an extra fee will apply.
- The shop is a common space that can be used by both theatre groups upon loading in. It may also be used as a crossover during performances in the Victor Mitchell/Shed Theatre. However, it is not a storage area for scenery or props, and must be left clean after every performance. Should a theatre group require the use of the shop for this purpose, please enquire 4 weeks ahead of time as extra rental charges may apply.
- If props or set pieces left in the shop need to be moved by Pumphouse Theatre staff for access to our riser rental program or otherwise we cannot guarantee the safety of the items.
- Any items found blocking a fire door, stairwell or either of the pathways/doors marked do not block will be removed immediately regardless of whether or not a show is in progress. Please familiarize yourself with these areas.
- The Pumphouse Theatre does not guarantee access to the Classroom as a Joyce Doolittle crossover. It is used for both classes and meetings; it may be in use during a rental period. Please advise us at least 4 weeks ahead of time should you wish to use this area. Should a client wish to use the Classroom as a rehearsal space/dressing room during their rental period extra charges will apply.
- Janitorial services and damages beyond normal wear and tear to the building and equipment will be charged back to the rental group.

VENUE ACCESS

Scheduled Load-in/Rehearsal Days: The theatre is open for use between the hours of **10:00am and 11:00pm**. If you require access to the theatre outside of these hours you must make a request to the Operations Manager a **minimum of two weeks** prior. An overtime charge will apply for each additional hour or part thereof.

If overtime is required the night of and is not requested and approved in a timely fashion the building will close at 11:00pm, **No overtime will be allowed**. Overtime requests the night of are at the discretion of the staff member on duty and is not guaranteed. If overtime is approved in advance, but not required, the client must provide **48 hours' notice** or there will still be a charge for the overtime scheduled.

Scheduled Performance Days: The theatre is open for use two hours prior to performance start time until 11:00pm. If you wish to exceed these hours, please see the overtime rules above.

Scheduled Load-out Days: No overtime will be charged for time spent in the theatre after 11:00pm on these days unless the load-out is taking unreasonably long.

TECHNICAL INFORMATION

- The rental group is required to provide qualified people to operate all theatrical equipment. Training on Pumphouse Theatre equipment for those not familiar with it should be scheduled with the Operations Manager. A mandatory light hanging tutorial and safety chat will occur at the start of load in, provided by Pumphouse Staff.
- The Pumphouse Theatre does not have a fly system. All rigging must come off the lighting grid or trussing and must be approved by the Operations Manager or an Event Supervisor. Any item not approved cannot be used. Clients are responsible for their own rigging.
- The Pumphouse Theatre Operations Manager or their designate shall approve all rigging prior to load-in. Actual rigging must be supervised by Pumphouse staff and installed by the client.
 - Rigging is classified as any item, which is attached to the grid or truss system that is not already a venue provided lighting fixture with pre-attached clamp. For example, rented professional lighting equipment is not rigging, a chandelier is. As is any set piece, prop or effect that attaches to the grid or trussing system.
- All major drapery fabrics must have a flame retardant applied to them. Minor drapery and costumes that come within two feet of intense heat or open flame must have a flame retardant applied.
- All set and drape in the Victor Mitchell Theatre must be at minimum 5 feet from the North wall. There can be no restriction to the air return vents.
- All rental groups in the Victor Mitchell / Shed Theatre will be provided a stock house plot. This plot is a 6 area two color top, 3 color front wash. The rental group is required to hang and focus any extra lights, as well as any changes to the stock plot unless other arrangements have been made with Pumphouse Theatre Management.

It is the client responsibility to return all lighting back to stock plot upon strike.

- All rental clients in the Joyce Doolittle Theatre are required to hang and focus their own lighting following Pumphouse policies and procedures. They are also responsible for installation of audience seating.
- Any equipment brought into the venue must be CSA/UL approved. The Pumphouse theatre owns gel frames and limited gobo holders for instruments. If you plan to use a gobo holder, please inquire about availability.
- If the performance includes the use of special effects (see section below) their use must be approved by Pumphouse Theatre Management prior to load-in. Any special permits required must be obtained and a copy presented to Pumphouse Theatre Management prior to load-in.
- Clients can choose to have the Pumphouse Theater provide some of these services at an added cost. Please see rental rate card for more information.
