**The Quenten Doolittle Memorial Gallery Exhibit: Emerging Artists!**

April 18<sup>th</sup> – June 22<sup>nd</sup>, 2024.

The Pumthouse Theatre is a vibrant facility with historical significance and a focus on showcasing community, emerging and early stage career artists. It supports and presents all art forms and creates opportunities for engagement, enrichment, cultural experience, learning and inspiration, while serving all Calgarians. To enable this, the Quenten Doolittle Memorial Gallery provides accessible wall display space for Mohkinstsis (Calgary) visual artists to display and sell their work, free from commission. The Pumthouse Theatre supports an inclusive and diverse community. We encourage any submissions of eligible visual artists from all communities including but not limited to the LGBTQ2+, BIPOC, and those with disabilities.

IGNITE! is a festival dedicated to supporting, mentoring, and presenting emerging artists of all disciplines. IGNITE! allows artists to embrace risks in a supportive environment while providing resources, a bridge to the professional arts community, and meaningful opportunities for collaboration and community building with their peers.

For this exhibit, we are looking for work that is created by emerging artists. This includes artists with less than 5 years of professional experience creating or exhibiting their work. If selected to be the official art piece of IGNITE! 2023, the artist will receive an artist festival pass and an honorarium for the use of their image in marketing material.
